Achieve maximum benefit from our website!

To gain access to the most important stuff on the site, teachers & learners must be **registered!**

Teachers should use the materials & methodology daily in the classroom making use of a computer and data projector, while **learners** should use them daily in class & at home — using a computer, tablet, smart phone & learner workbook, if top marks are to be achieved.

If you want to do a Maths & Science tertiary education at a college or university you need to achieve at least **70% in **Grade 11 & 12** including **Matric finals!****

Just added: 1 000 Grade 1—12 Maths Khan Academy video clips in isiXhosa!

Click here: [Maths Khan Academy video clips for Grades 1 - 12 in isiXhosa!](#)

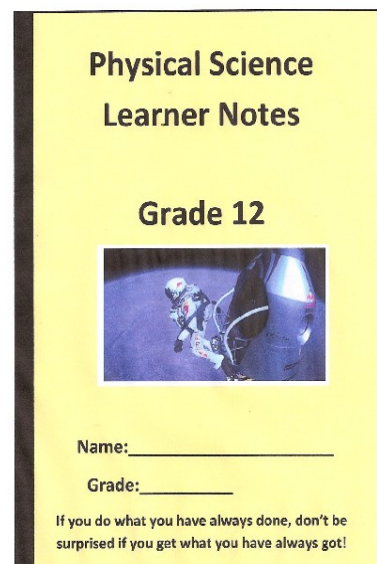

Achieving 70% or more in tests & exams will enable you to go to University to study and pass Maths & Science courses.

Good luck for
Pre-lims &
Finals!

Teacher workshops:

Since the start of 2014 we have run 28 teacher workshops at which 588 teachers from 284 schools in 5 Provinces around South Africa, have been trained to use our materials and methodology for maximum benefit in their daily teaching programmes.

N.B. Matric learners:

You should be doing as many past papers as you can now — leading up to your coming exams!
