UNIVERSITY

16 August 2013

To whom it may concern:

"Maths and Science Marketing, together with the Actuarial Society of South Africa, are at the forefront of the most important revolution of the 21st Century, because their website provides direct access to the knowledge and skills needed to succeed the world over. The ability to learn or teach the most highly regarded principles of Maths and Science is key to unleashing unlimited human potential. Maths and Science Solutions is more than just an educational tool, it allows you to download your destiny and achieve your dreams".

Dr. Stacey C. Nickson
