Achieve maximum benefit from our website!

To gain access to the most important stuff on the site, teachers & learners must be **registered!**

Teachers should use the materials & methodology daily in the classroom making use of a computer and data projector, while **learners** should use them daily in class & at home — using a computer, tablet, smart phone & learner workbook, if top marks are to be achieved.

Special points to note:

- Don't ever give up, just keep trying!
- Where there is a will, there is a way!
- Honesty is certainly the best policy!
- Hard work never hurt anybody!
- Maths & Science are the key subjects for your future!
- We will no longer wallow in mediocrity!

you qualify?**

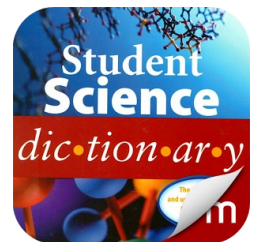

New 2014 website links!

Together with the Actuarial Society of South Africa, Maths & Science Solutions are trying to make Maths and Science more interesting & fun to teach, learn, understand, improve marks and thus qualify and pass at the tertiary level.

To do this we continue to write, publish, improve, load and place new materials & links on our website—just to help learners do exactly that! Have a look at these:

1. [Science dictionary:](#)
2. [Improve your English—so that you understand the questions properly:](#)
3. [Excel in accounting—we need more accountants & actuaries!](#)
4. [Mindset Learn: What about all your other school subjects that also need attention?](#)

Remember, your future largely depends upon you!

**Nothing can replace hard work,
diligence & effort.**

We care & want to see you do well!
