If you want to do a
Maths & Science tertiary
education at a college or university
you need to achieve
at least **70%** in Grade
11 & 12
including
Matric finals!

Grade 11 learners: Remember that your November marks need to be submitted with your application to University for 2016!

Achieving 70% or more in tests & exams will enable you to go to University to study and pass Maths & Science courses.
