OR

(US \$6 p.a. or \$ 0.50 p.m.)!

Admin Fee:

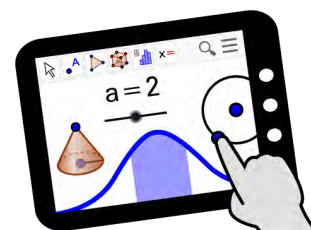

In order to continue to develop more materials and keep the website up to date **for you**, it has become necessary to introduce an annual **R 60 (US \$6)** admin fee for all users. We know that this will be worth it for all the thousands of people from **all over the world**, who need & benefit from what we have to offer!

Grade 12 learners: Your June & September marks will determine your future & must be submitted for SA University entrance now!

Work harder than you have ever worked before—it truly will be worth it!

Grade 11s will need to submit your 2017 November exam results for your 2019 SA University applications.

Achieving **70%** or more in tests & exams will enable you to go to University to study and pass Maths & Science courses.

What is Blended Learning?

Blended Learning is where teachers and learners can make use of projectors, computers, tablets and phones to access any of our materials for the teaching and learning of any topic that they may need to teach or study from the CAPS Curriculum.

You can access the ideas, materials, videos, simulations etc from up to 7 different websites all from one page on each topic from our site.

You get your PDF learning/teaching materials, interactive tests, homework, extra materials, prescribed experiments, YouTube videos, Mindset Learn videos, Khan Academy materials, Geogebra simulations, Absorb Learning simulations, E-classroom worksheets etc

What Subjects & Grades are we now offering?

Grades 1—12 Mathematics

Grades 1—12 English

Grades 9—12 Science + Grades 10—12 Maths Literacy.
