

Maths & Science

Maths & Science Solutions Newsletter

Volume 11
May 2016

Website launched on 20 May 2013

NEW for 2016!

Blended Learning

Grade 1—12 Maths
Grade 10—12 Science & Grade
10—12 Maths Literacy

Amazing new idea & concept!

Oh Yes! IT'S
FREE

Special points to note:

- University applications must be in by the end of September — otherwise you won't be considered for 2017!
- **Hard work never hurt anybody!**
- Maths & Science are the key subjects for your future!
- **We will no longer wallow in mediocrity!**

Access on: Computers, tablets & phones!
Get what you need now!

After careful consideration we have decided that **every** Maths & Science teacher and learner deserves and needs to have access to the best websites, materials & methodology available and we have thus decided to remove the small premium that we had initially decided to charge for the **Blended Learning** materials on our website!

Teaching in the 21st century!

6 500 teachers
from 215 countries
(98%) have
downloaded from
our site!

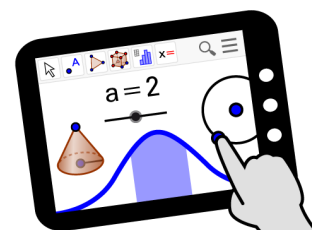

Great!

These exciting new tablets contain all our new High School Blended Learning in G 8—12 Maths & G 10—12 Science. Get one at a Game store near you today!
Only R 1 495.00

Grade 12 learners: Your June & September marks will determine your future & must be submitted for University entrance!

Work harder than you have ever worked before—it will be worth it!

Achieving 70% or more in tests & exams will enable you to go to University to study and pass Maths & Science courses.

What is Blended Learning?

Blended Learning is where teachers and learners can make use of computers, tablets and phones to access any of our materials for the teaching and learning of any topic that they may need to teach or study from the CAPS Curriculum.

You can access the ideas, materials, videos, simulations etc from up to 7 different websites all from one page on each topic from our site.

You get your PDF learning/teaching materials, interactive tests, homework, extra materials, prescribed experiments, YouTube videos, Mindset Learn videos, Khan Academy materials, Geogebra simulations, Absorb Learning simulations, E-classroom worksheets and many more!
